Sir:

SUPPLEMENTAL AMENDMENT

This Supplemental Amendment is being presented as a preliminary amendment in the concurrently-filed Request for Continued Examination (RCE) Transmittal. While this Supplemental Amendment was previously sent to the U.S. Patent and Trademark Office (USPTO) via fax on March 3, 2004, the amendments were not entered by the Examiner as indicated in the Advisory Action mailed March 26, 2004.

This Supplemental Amendment is a *bona fide* attempt to provide a complete reply to the final Office Action. Since the Advisory Action stated that “the added language of ‘the enriched mushroom compost supplement does not comprise mushroom mycelia’ would require further consideration”, a first action final is not appropriate in this situation.

Please amend the application as follows:
